MARYGROVE COLLEGE PROFESSIONAL DEVELOPMENT FOR TEACHERS 18-Hour Established Planned Programs for Teacher Re-certification

State re-certification for teachers requires a planned program of courses. To maintain state certification, classroom teachers have the following two options: (1) Individually designed planned program of study for re-certification or (2) Established planned programs

Content Focused Established Planned Programs

A planned program is defined as six, three-credit graduate-level courses (non-degree

Educators, please note the following:

- Courses offered onsite in Michigan (*), Onsite or Online (**), Online Only (***)
- Additional courses available from an extensive list.
- Tuition and course availability subject to change.
- These planned programs do not meet the requirements for an additional endorsement to your teaching certificate.
- These planned programs do not include a three-credit state approved reading diagnostics class that is required to advance to the professional level.
- Limited courses may transfer to a defined masters degree program. Please contact individuals listed below for details.

STATE OF MICHIGAN **READING REQUIREMENT**

The State of Michigan requires a reading course for ALL teachers who are moving from a provisional to a professional certification. Marygrove has an online course, RDG510, which meets this requirement. Here is what you need to know:

This is the only state-approved reading diagnostics course offered by Marygrove College and it:

- Is entirely online on the Marygrove Blackboard system.
- Costs approximately \$1750 and you must buy your own books.
- Qualifies for financial aid as long as you take it as part of a Marygrove degree program.

To register for RDG510:

Non Marygrove Students contact Eunice Moore at emoore@marygrove.edu. Current Marygrove Graduate Students contact: Theresa Jordan at tjordan@marygrove.edu

Marygrove College • 8425 West McNichols Road Detroit, Michigan 48221
