

Showcase of Artists: In order to highlight the artistic accomplishments of our '64 alumnae, this subcommittee is asking interested classmates to donate small samples of their work. These could include small paintings, sculptures, pottery, jewelry, quilting, etc. These works will then be used as door prizes (just for us!), probably at Sunday's brunch. To respond, see the enclosed Response Form or contact a subcommittee member (left margin).

Class Gift: There is an expectation that the 50th year class make a significant contribution to Marygrove based on a defined need of the College. This subcommittee, along with the General Planning Committee, have determined a goal for our gift and developed a campaign plan. You will be receiving a letter by early June about the plan and how you can contribute.

Classmate Contact: This subcommittee is working to confirm contact information and locate "missing" classmates. Everyone is invited to join our festivities. If you can assist in locating these individuals, please notify a committee person or me:

Joanne Brabson	Kathleen Geyman Taylor	Carol Petras Lucido
Carolyn Campbell Rogers	Margaret Johnson	Mary Catherine Rivera
Marie Carlen Hopkinson	Mary Lou Lemieux	Margaret Rumora Herbert
Mary Cronin McLaughlin	Lourdes Lopez Jison	Patricia Stark Bommarito
Marilyn Davis Martam	Pat O'Connor McGraw	Frances Ward
Angela Ferro	Rose O'Donnell	

Our class will place a Prayer Intention Basket on the altar at the liturgies on Saturday and Sunday. Those in attendance can place their intentions in the basket at registration time. Those who can't be with us are welcome to send their (confidential) intentions to me and they will be placed on the altar for you.

Most of our future communication will be through emails. If you did not receive an email reunion announcement in Nov., 2013 and have not been contacted by us recently to update your address, we probably do not have your current email address. Please send it to Pat Sweeney Mueller (ppmueller@att.net). We would like to save on paper and postage if possible. Information will also be available on the Class of '64 webpage (after mid-June) on www.marygrove.edu/alumni-donors/alumni-reunion-weekend.html.

Areas where we **still need help:**

- Registration and Welcome – contact Mary (Kathy) Walilko DeRonne (mkderonne@gmail.com)
- Phone Calling (can be done from anywhere) – contact me (nancyleemartin6@yahoo.com)

We are looking forward to renewing Marygrove friendships and hope you will join us and encourage your Marygrove friends to attend the festivities. If you cannot attend, we welcome your greeting or letter to share with the group at the Saturday Evening gathering. Please send these to me at either address below. For those planning to attend, please feel free to bring any personal memento of the past 50 years that would be of general interest to your classmates.
